CLIMATIC FORTE

My Forte Moments

*Design that makes every moment
more valuable. With you in every season,
in every feeling.*

HUUN

Enjoy Every Season, Every Moment

With Huun Climatic Forte, outdoor living is no longer limited by time or weather. Spend your days under the open sky, and when evening falls, let the integrated LED lighting create the perfect atmosphere to continue your moments together. Thanks to its perfectly sealed lamellas, Forte protects you from rain, wind and snow-ensuring comfort in every season. Whether with family or friends, Forte transforms your outdoor space into a place of joy, connection and unforgettable memories.

HUUN

A Home Beyond Walls

The true value of a home is measured by the moments you share with your loved ones. Forte transforms your outdoor space into the most special corner of your home, making these moments possible in every season. Whether on a sunny summer day or a cool autumn evening, with Forte, being outdoors is always comfortable, elegant and full of peace.

HUUN

Living Without Limits

Forte features adjustable, remote-controlled mobile blades that can be opened and closed with ease. Their opening action allows air to circulate and heat to escape, creating a refreshing airflow beneath the Forte and ensuring comfort even in outdoor heat.

Forte is a modular, year-round living space. It provides comfort, a welcoming area for entertaining, and adds value to your home. The roof, composed of mobile blades, can be closed hermetically to provide full protection from the rain.

Snow & Wind Load Resistance
Stay safe and comfortable even in winter.

HUUN

SLIDING ShadeOn

HUUN Sliding Shade-on features adjustable aluminum louvers in a fixed frame, offering elegant sun control with wood or powder-coated finishes.

SLIDING

HUUN Sliding System is a stylish and durable glazing solution with high-capacity wheels, secure locking, and flexible panel options, ideal for both residential and commercial spaces.

GLASS BALCONY

HUUN Glass Balcony System provides year-round comfort with strong insulation, smooth operation, and customizable design, combining durability, security, and style.

PANORAMA

HUUN Panorama Glass System is a motorized, certified solution that transforms spaces with adjustable glass movement, offering safety, comfort, and stylish year-round use.

ZIP SCREEN

HUUN Screen is a durable and stylish zip shading system that protects against sun, heat, glare, and UV rays while maintaining daylight and views, making it ideal for both residential and commercial use.

Perfect Together

Every moment outdoors can be different. With screens that block the sun, glass that protects from the rain, or panoramic views that open up your world, Forte evolves with your needs. It's more than a roof—it's a space that grows with you.

HUUN

Your Space , Your Choice

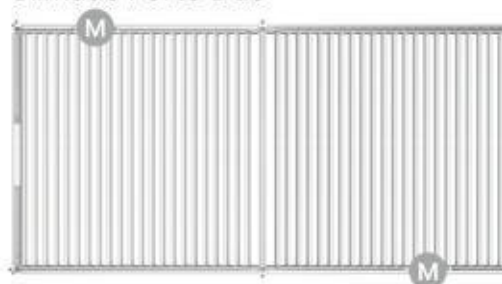

Forte adapts to your lifestyle with flexible configurations. Whether you prefer a free-standing design, a wall-mounted solution or an extended version for larger gatherings, Forte is ready to match your needs. From intimate family corners to spacious dining areas, choose the design that turns your outdoor space into your favorite place.
