VELURA FLAT

My Velura Moments

*Design that turns every moment into comfort.
With you under the open sky — through every
season, in every feeling.*

HUUN

Enjoy Every Season, Every Moment

With Huun Velura, outdoor living becomes a daily pleasure. Spend your days surrounded by elegance, protected from the sun and rain, and enjoy the soft light filtering through its sleek design. Velura invites you to experience every season with serenity — where beauty meets pure comfort.

HUUN

A Home Beyond Walls

The essence of home lies in how it connects you with the outdoors. Huun Velura extends your living space beyond walls — creating harmony between architecture and nature. Whether it's a bright summer morning or a calm autumn evening, Velura surrounds you with elegance, peace, and timeless comfort.

HUUN

Living Without Limits

Huun Velura brings freedom to outdoor living with its seamless and modular design. Each element is crafted to adapt — offering shade, protection, and effortless comfort in any weather.

From cozy terraces to spacious lounges, Velura transforms your outdoor area into a space that breathes with you.

Long-lasting Durability
Built for years of comfort.

HUUN

Why Velura?

Velura redefines outdoor comfort with smart design and refined aesthetics. From its durable aluminum structure and elegant integration to optional lighting and shading systems, every detail is designed for effortless beauty and lasting performance. It's not just a pergola — it's an experience of living beyond boundaries.

LED Light

Warm, efficient, and elegant illumination.

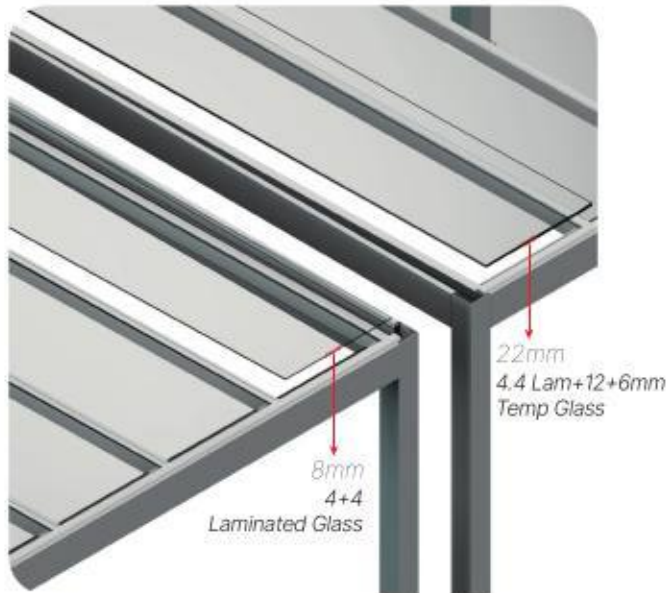

Easy Installation

Designed for a smooth, effortless setup that fits perfectly into everyday life.

Reinforced Main Carrier Profile

Engineered to minimize deflection on long spans, ensuring a stable, durable structure in all conditions.

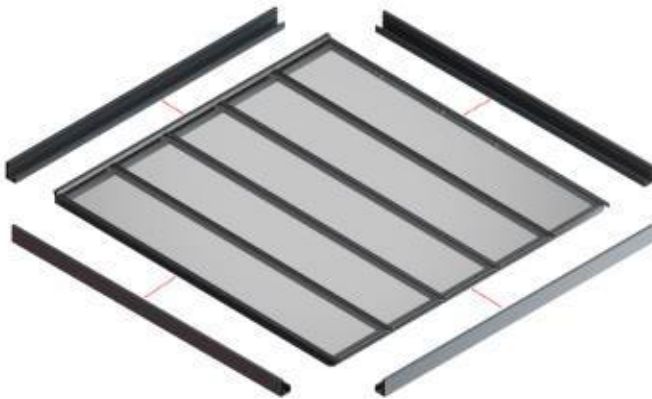

Glass Panel Options

Offered with both single-glass and insulated-glass panels, providing the right balance of clarity, insulation, and year-round comfort.

Huun Heater

Stay warm, stay outside

Enhanced Water-Carrying Capacity

A continuous four-side gutter design efficiently channels rainwater away, ensuring superior drainage and long-lasting protection.

LED Lighting Control

Effortlessly adjust your lighting for the perfect ambience at any moment.

HUUN

ShadeOn

HUUN Shade-on features adjustable aluminum louvers in a fixed frame, offering elegant sun control with wood or powder-coated finishes.

SLIDING

HUUN Sliding System is a stylish and durable glazing solution with high-capacity wheels, secure locking, and flexible panel options, ideal for both residential and commercial spaces.

GLASS BALCONY

HUUN Glass Balcony System provides year-round comfort with strong insulation, smooth operation, and customizable design, combining durability, security, and style.

PANORAMA

HUUN Panorama Glass System is a motorized, certified solution that transforms spaces with adjustable glass movement, offering safety, comfort, and stylish year-round use.

SOLARO

13

HUUN Solaro is a durable and stylish motorized roof shading system that provides protection against sun, heat, glare, and UV rays; making it ideal for use with glass systems.

ZIP SCREEN

HUUN Screen is a durable and stylish zip shading system that protects against sun, heat, glare, and UV rays while maintaining daylight and views, making it ideal for both residential and commercial use.

Perfect Together

Every outdoor concept finds harmony with Velura. Whether combined with screens, glass systems, or shading solutions, Velura completes each design with timeless elegance and seamless integration. It's more than a pergola — it's a unifying structure that brings every Huun system together in perfect balance and style.

HUUN

Your Space , Your Choice

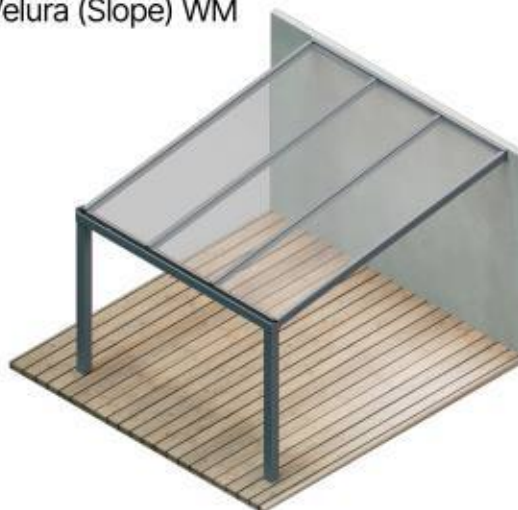

Velura fits effortlessly into any setting — free-standing, wall-mounted, or extended for larger spaces. Designed for quick installation and perfect architectural harmony, it turns any area into your favorite outdoor retreat. Because true comfort comes from freedom — and Velura gives you exactly that.
